Work has now started on levelling the field next to the Library. It has been extensively raked over by a heavy-duty harrow & tractor. The following will now take place in the next 6 to 7 weeks by the Parish Council grounds maintenance contractor:

- Cultivate the surface with a rotary cultivator to create a tilth
- Grade the topsoil with a Harley Power Rake to improve the surface levels,
- Spread a pre-seeding fertilizer,
- Sow the amenity grass seed (Barenbrug E7 at 40g/sq m.)
- Lightly cultivate the surface and roll to leave a firm, smooth playing surface.
- Carry out stone picking as and where necessary

We would continue to ask visitors to keep of this area for the foreseeable future.
