

## **Play facilities MOUNTSORREL LANE PLAYING FIELDS**

As a result of much building development in Rothley the village has been allocated substantial monies for the improvement of children's play facilities. Play equipment was installed in the last tranche of funds at Fowke Street & Town Green Street.

Rothley Parish Council has decided to invest the funds in the MOUNTSORREL LANE PLAYING FIELD, with a view to installing items by the late Spring 2019.

**WICKSTEED, PLAYDALE, PLAYFORCE, KOMPAN** were asked to come up with ideas on a brief that we required the following: -

- Additional and improved swings
- Something which involves children in cooperative play
- Pieces of equipment that **MUST** be inclusive to allow children with physical disabilities to access them.
- Some additional items to include picnic table(s), gazebo, shaded seating etc.

On this display are ideas that each company came up with.

Rothley parish Council is committed to seeking the views of parents and wider community before placing any order and invite you to look at these plans and make any comments.

Please place your slips in the box provided.

**It is not our intention to remove any existing equipment.**
